Who the program is for

Travel agencies & tour operators

Add eSIM to your package: travelers stay connected, you earn on every tour.

Hotels & apartments

A QR code in the welcome email, room or at reception. Guests get internet, you get passive income.

Apps & services

Guides, visa services, aggregators — integrate via API or a partner link.

Fintech & insurance

eSIM is a natural add-on to travel insurance or a traveler card.

Language schools

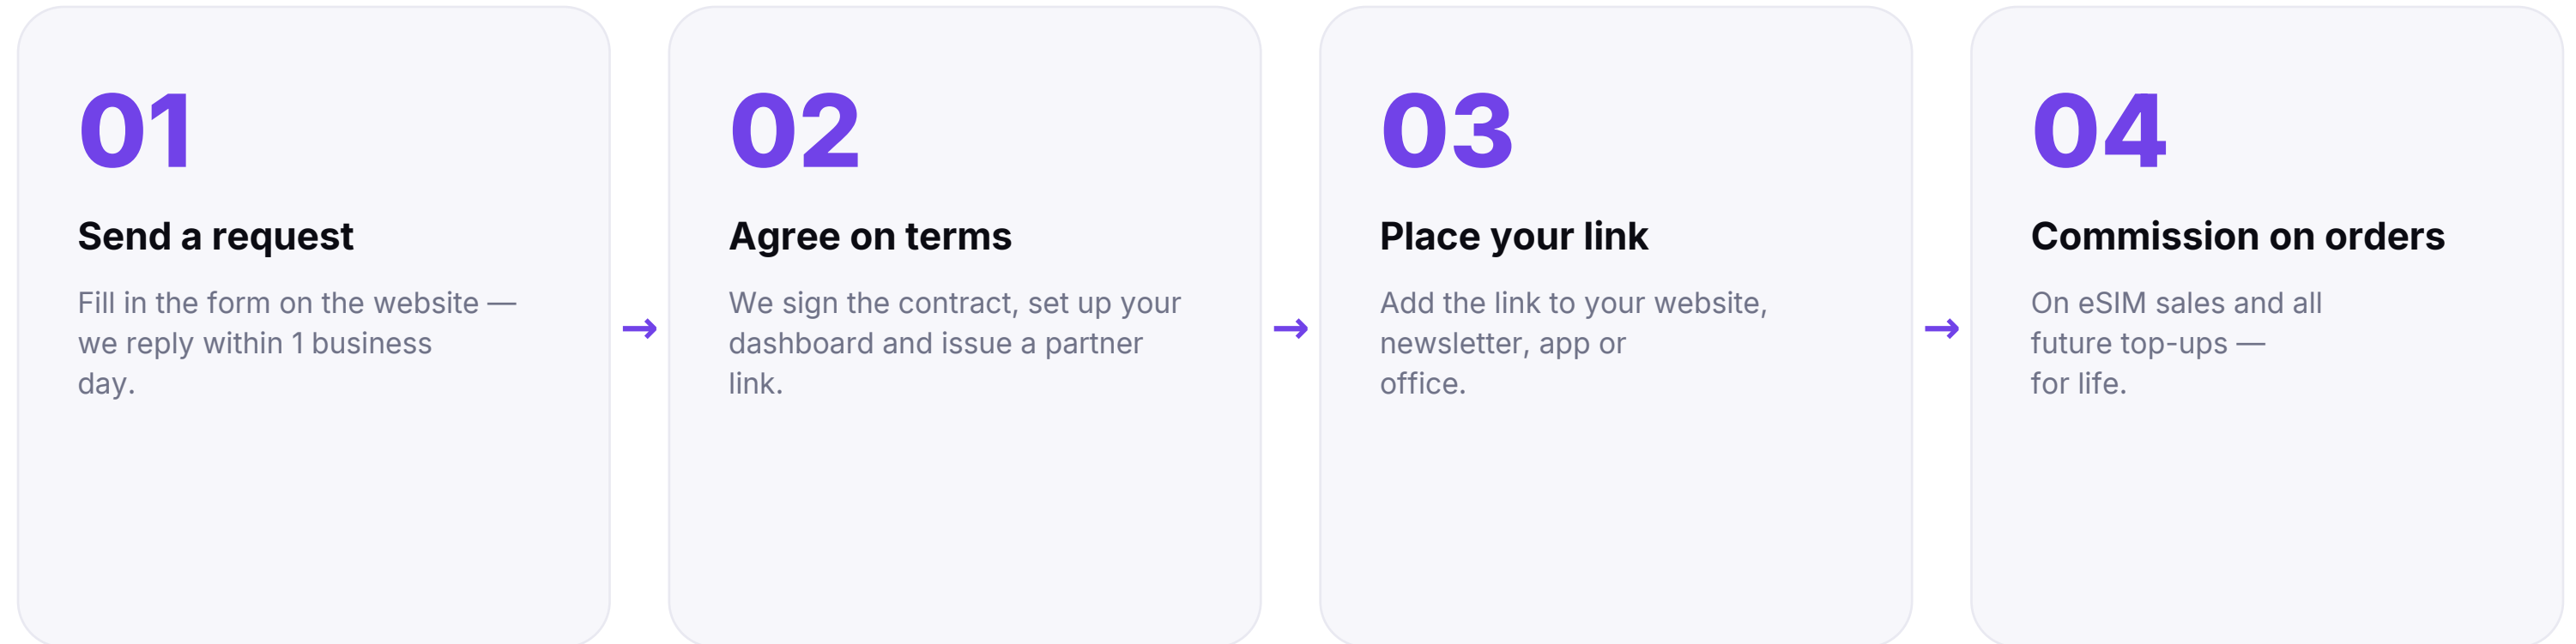

Students going abroad are the perfect audience. eSIM in the welcome pack.

HR & relocation agencies

Day-one connectivity is a relocant's key need. Add eSIM to the checklist.
